86 Marlborough Hill
St Johns Wood

were born.

My mother died when I was four years old, and my father when I was nine months old.

My fathers name was Thomas Keats and my mothers Frances Jennings

I should think that there might have been three years distance in age between John, George, and Tom.

I can only repeat how much I am that I can never be of any service to you. With kind regards

Yours very sincerely
Fanny Keats de Llanos
